

# WE PREPARE EXCEPTIONAL LEADERS

## EARN YOUR MASTER OF EDUCATION to prepare the leaders of tomorrow

### MASTER OF EDUCATION

This degree program is designed for working professionals who seek to further their education and enhance their teaching practice. It is appropriate for teachers at any grade level and in any subject matter area. This program is designed to help teachers expand their knowledge of relevant educational theory and research, as well as their ability to relate and apply this to teaching and schooling practices.
