Florida Institute of Technology
Office of Undergraduate Admission
150 W. University Blvd., Melbourne, FL 32901
321.674.8030
321.674.8000 (main university switchboard)

Driving Directions to the Florida Tech Campus:

Please note – many online mapping tools will not get you directly to the Florida Tech campus unless you use our physical address. When utilizing a GPS or online maps, please put in: 150 W. University Blvd., Melbourne, FL instead of just Florida Institute of Technology.

FROM MELBOURNE INTERNATIONAL AIRPORT: When exiting the airport, go east (left) on NASA Boulevard to Airport Road and turn south (right). Travel approximately 1.5 miles to Route 192 (New Haven Avenue). Turn east (left) on Route 192 to the first traffic light. Turn south (right) onto Country Club Road. Florida Tech is about 1/2 mile down on your left. At the end of Country Club turn left (East) onto University Blvd. Follow signs for Event Parking where you’ll find students and staff ready to assist you. For more information, please refer to this Campus Map.

FROM ORLANDO INTERNATIONAL AIRPORT: When leaving the airport property, follow the signs for the North Exit, head toward SR-528 (also called the Beach Line) East. Head east on 528 (toll road) 30 miles until you reach Interstate 95 (I-95). Take I-95 south for about 25 miles into the Melbourne area (be sure to pay close attention to road signs between 528 and I-95). Exit I-95 at exit 176 (Palm Bay Road), and head east approximately 2 miles. Turn north (left) on Babcock Street, and travel about two miles. At the traffic light for University Blvd, turn west (left), into the main campus of Florida Tech – there will be a large sign for Florida Institute of Technology. Follow signs for Event Parking where you’ll find students and staff ready to assist you. For more information, please refer to this Campus Map.

FROM TAMPA: Take Interstate 4 (I-4) north to State Road 528 (also called the Beach Line) in Orlando. Head east on 528 (toll road) 40 miles until you reach Interstate 95 (I-95). Take I-95 south for about 25 miles into the Melbourne area (be sure to pay close attention to road signs between 528 and I-95). Exit I-95 at exit 176 (Palm Bay Road), and head east approximately 2 miles. Turn north (left) on Babcock Street, and travel about two miles. At the traffic light for University Blvd, turn west (left), into the main campus of Florida Tech – there will be a large sign for Florida Institute of Technology. Follow signs for Event Parking where you’ll find students and staff ready to assist you. For more information, please refer to this Campus Map.
FROM I-95: Exit I-95 at exit 176 (Palm Bay Road), and head east approximately 2 miles. Turn north (left) on Babcock Street, and travel about two miles. At the traffic light for University Blvd, turn west (left), into the main campus of Florida Tech – there will be a large sign for Florida Institute of Technology. Follow signs for Event Parking where you’ll find students and staff ready to assist you. For more information, please refer to this Campus Map.

FROM U.S. 1: Turn west (left) onto Route 192 (New Haven Avenue). Turn south (left) on Babcock Street and stay in the right-hand lane. At the fourth streetlight, turn west (right) onto University Blvd – there will be a large sign for Florida Institute of Technology. Follow signs for Event Parking, where you’ll find students and staff ready to assist you. For more information, please refer to this Campus Map.

FROM A1A: At the town of Indialantic, head west on Fifth Avenue (US 192). Go across the Melbourne causeway and proceed west. Turn south (left) on Babcock Street and stay in the right-hand lane. At the fourth streetlight, turn west (right) onto University Blvd – there will be a large sign for Florida Institute of Technology. Follow signs for Event Parking, where you’ll find students and staff ready to assist you. For more information, please refer to this Campus Map.

- Holiday Inn Express Palm Bay 888-HOLIDAY or 321-220-2003
Tour Tips and Helpful Hints

In order to maximize your trip and provide the most enjoyable experience, here are a few quick, helpful things to consider for your visit to Florida Tech:

- **Arrive on time** – This will help make sure all your appointments and scheduled events go off without a hitch!

- **Pack accordingly** – Florida is a subtropical climate and our events usually involve some walking and time outdoors. We recommend wearing comfortable, casual clothing, comfortable walking shoes, and having the proper extras for the time of year (bottled water, sunscreen and an umbrella May – September; sweatshirt or light jacket November – January).

- **See the sights** – Feel free to bring a camera or video camera with you during your visit. It will be a great way to document your visit for future reference. However, due to privacy and security reasons, we cannot allow photography or videography inside the residence hall rooms when they are occupied by current students. Our website does provide a virtual tour of the residence halls, however, to which you can refer back at a later date.

- **Items to bring** – Feel free to bring your transcripts, test scores, letters of recommendation and application for admission to the visit (if appropriate). We are always happy to accept your documents while you are visiting Florida Tech. If your visit does not involve all of the decision-makers for the college choice (such as a parent or influential family member), feel free to bring a list of questions or a checklist of things to learn about. We’d also suggest having a pen and pad of paper handy during the campus tour on which to jot notes.

- **Items to leave at home** – While we are pretty much all animal lovers around here, we would suggest refraining from having a pet on campus during your visit unless absolutely necessary for medical reasons.

We strive to make your campus visit enjoyable, informative and exceptional. We hope these tips will assist you in your visit to campus, and we’re always here to help in any way we can.
Please print and clearly display this parking pass for your vehicle. All vehicles parked on campus MUST have a parking pass and be parked in a non-designated spot to avoid a ticket.

If you’re unable to print this parking pass, we will have copies available upon check-in.
